**Community Eligibility Provision
School Year 2018 - 2019**

Dear Parent or Guardian:

We are pleased to inform you that Woodbridge School District once again will be implementing Community Eligibility Provision. This Provision will be effective on July 1, 2018.

The Community Eligibility Provision was enacted as a result of the Healthy, Hunger-Free Kids Act 2010 and provides universal meal service to students in schools/districts that qualify. The Community Eligibility Provision is an alternative to collecting, approving, and verifying household eligibility applications for free and reduced price meal benefits.

What does this mean for you and your children attending Woodbridge School District identified above?

All enrolled students are eligible to receive a nutritious breakfast and lunch at school at **no charge** to your household. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal benefit form.

If we can be of any further assistance, please contact Joann Joseph at the number below.

Sincerely,

Joann Joseph
